

Cakes

Here at Kolatek's we take pride in making a quality cake that is not overpoweringly sweet. Be it a fruit filled cake, what we call our designer cake like our New Orleans cake, our delightful Ambrosia or just the basic cake and whipped or butter cream cake. Never frozen, made fresh and will leave you wanting more. A perfect accompaniment to a cup of coffee or to celebrate a special occasion.

We can also make a special order organic, non-gluten cake or leave out a specific ingredient like eggs or dairy. Most cakes are peanut and tree nut free unless specified.

Cake Types

New Orleans - A delightful cake inspired by a small New Orleans bakery. A fantastic mix of two separate dark and milk chocolate cake layers, vanilla and creamy milk chocolate mousse layers. Moist and not too sweet. An all around crowd favorite. Order more, people will ask for seconds.

Ambrosia - Arguably one of our best cakes. Light fluffy vanilla cake intermingled with a Ricotta cheese filling and raspberries. Moist and delicious and lightly sprinkled with Amerrato liqueur.

Ambassador - A sophisticated cake consisting of vanilla, chocolate and walnut cake layers lightly sprinkled with liqueur. One layer of fresh pineapple with whipped cream playfully compliment a minced dried fruit layer. A very tasteful creation, perfect for a mature taste.

Tiramisu - The timeless classic, light vanilla cake, Ricotta cheese and Amaretto filling topped off with a heavy layer of cocoa.

Annabelle - Who would have thought bananas and walnuts would come together so well? But it most certainly does. A delicious cake that is a sleeper favorite. Once you taste it you won't be able to say no.

Pear Silk - Smooth as silk, this cake inter-layered with decadent pears and rum whipped cream delightfully pair (lol) with light vanilla cake. You will be asking for more.

Walnut Cake - The name says it all. This cakes brings taste and texture together in one beautiful package. Walnut cake layers with fluffy tree nut and liqueur filling. Just enough sweetness to balance out the bitter walnut taste.

Cake Types

Black Forest - The classic German cake is a staple at Kolatek's. Brandy soaked cherries and chocolate cake. What's more to be said? Its great.

Forest Berry - Like the Black Forest cake except imagine forest berries in place of the cherries. Raspberries, blackberries, blueberries and raspberries along with light moist vanilla cake.

Neapolitan - The timeless strawberry, chocolate and vanilla combination in cake form. You decide with layers are to be cake or mousse filling. Strawberry mousse is the way to go along with a dark chocolate cake layer, but you do you.

Strawberry & Banana - The classic birthday cake. Banana, strawberry with vanilla cake. Perfect for the kiddos.

Fresh Fruit Cake - Make your own cake. Decide between vanilla, milk chocolate, dark chocolate or walnut cake layers. And pick any of the following fruits: Strawberries, bananas, raspberries, blackberries, blueberries, pineapple, mandarins, peach, or pear. Pricing and availability may change due to seasons.

Red Velvet Cake - This fan favorite deep red cake comes to Kolatek's. Delicious moist cake layered with cream cheese icing layers.

Carrot Cake - Delicious, moist carrot cake with walnuts and raisins layered with a creamy cream cheese icing. Bet you can't eat just one slice.
